Dear Sir:

Applicants hereby petition for revival of the above-identified patent application. The application was unintentionally abandoned, since a reply to the Advisory Action mailed November 17, 2004 was not filed. The Advisory Action set the period of reply to be three months from the mailing date of the final Office Action dated May 19, 2004.

In accordance with 37 CFR § 1.137(b), a Reply to the Office Action dated May 19, 2004 is being submitted herewith, along with a Request for Continued Examination (RCE) and associated fee.

Since this utility patent application was filed after June 8, 1995, no terminal disclaimer is required.

I hereby state that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR § 1.137(b) was unintentional.

Applicants hereby authorize the Commissioner to charge the credit card identified on the enclosed Form PTO-2038 in the amount of \$1500.00 for the petition fee, as set forth in 37 CFR § 1.17(m) (Fee Code 1453). In addition, the Commissioner is hereby authorized to debit Deposit Account No. 50-2198 for any fee deficiencies associated with filing this paper.

A representative from the U.S. Patent and Trademark Office is invited to contact the undersigned regarding any matters relating to the present application.

Respectfully submitted,
